CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1333 – CPR – 00145

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products:

Precast concrete floor beams

made of reinforced or prestressed concrete intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges.
CE marking method: 2.

produced by

CUBE6 LIMITED

63 Thorby Avenue, March, Cambridge PE15 0AZ

in the manufacturing plant at

63 Thorby Avenue, March, Cambridge PE15 0AZ

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 15037-1:2008

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above

This certificate was first issued on 24 June 2013 and will remain valid until 31 December 2022 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Date: 1 January 2020
