CUBE6 Limited
Registered at
71 Tudor Road
Godmanchester
Cambridgeshire
PE29 2DW

For the manufacture of

Manufacture of 150mm deep x 92mm wide pre-stressed concrete floor beam at

63 Thorby Avenue
March
Cambridgeshire
PE15 0AZ

Certificate and Standard Applied

13

FPC Certificate – 1333-CPR-00145

Conforms to European Harmonised Standard – EN 15037-1-2008 - Category 1 – Annex – ZA

Characteristics**Concrete**

Compressive Strength f_{ck} 55 N/mm²

Pre-stressing Steel

Ultimate tensile strength f_{pk} 1770 N/mm²

Tensile 0.1% proof stress $f_{p0.1k}$ 1556 N/mm²

Mechanical Properties

Bending Moment 5.311 kNm

Shear Capacity 15.669 kN

Resistance to fire R 30 minutes

For additional information please contact CUBE6 technical department.

Product to be installed in-line with the manufacturers' guides and recommendations.
